September Monthly Report (08/01/06-08/31/06), ID #C00143230. This is in response to questions raised by the Federal Election Commission's notification dated 10/20/06 regarding transfers to the Committee's Non-Federal account as reported on Schedule B, Line 22. Please note that these transfers were referenced in the Committee's August Monthly Report. See transaction ID #D7022, #D7023H4 and corresponding memo text at the end of that report where it was noted: 'Due to a transitional issue, the Committee's payroll taxes were debited from the non-federal account by the Committee's payroll company. The federal account will reimburse the non-federal account for the federal portion of the expense and the problem will be corrected.' The transfers reported on the September Monthly Report reflect this correction.
